

DOCKET NO. 92-320-C - ORDER NO. 92-1045

IN RE: Application of Telecare, Inc. for a )  
Certificate of Public Convenience and ) ORDER  
Necessity to Operate as an Interexchange ) GRANTING  
Telecommunications Resale Carrier Within ) REQUEST  
the State of South Carolina. )

This matter comes before the Public Service Commission of South Carolina (the Commission) on the letter from Attorney Robert Coble filed on behalf of Telecare, Inc. (Telecare) requesting approval to make refunds required by a prior order over a three-month period.

In Order No. 92-891, issued October 21, 1992, in this Docket, we required Telecare to refund to its customers any charges collected for intrastate calls completed prior to the date of the Order. We also ordered that the refund should be issued within thirty (30) days of the date of the Order and should include interest at the rate of 12% per annum.

Attorney Robert Coble, representing Telecare, now requests by letter that the Company be allowed to make the required refunds over a three-month period. After due consideration of this matter, the Commission believes that this request should be granted,

however, this Commission believes that the 12% interest required by Order No. 92-891 should continue to accrue until the amounts are finally refunded.

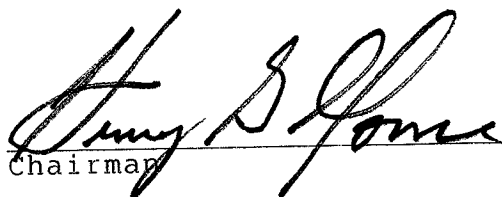

IT IS THEREFORE ORDERED THAT:

1. The request of Telecare, Inc. requesting approval to make the required refunds from Order No. 92-891 over a three-month period is hereby granted.

2. That 12% interest shall continue to accrue on said refunds until said refunds are actually made.

3. That this Order shall remain in full force and effect until further Order of the Commission.
